

NEW!

Write and Store Shelf

NEW Write and Store Shelf

This shelf is both a storage and activity center. The top shelf is at a height that is easily accessible to early childhood students to play, and the three shelves below offer storage for other classroom supplies and toys.

The sliding magnetic whiteboard panels are not only a place for creative play, but they function as a cover to allow educators to display certain toys and supplies and hide when needed.

Dimensions

30" H x 40 1/2" W x 23" D

Individual whiteboard measures: 24 1/2" H x 35" W

with 2 boards (BWS2)

Write and Store Shelf with
2 boards and vibrant tubs
(BWS2-VM)

Our finish is a nitrocellulose lacquer. Lacquers are a popular finish type for furniture, and the preferred choice of professional furniture makers. Lacquers provide a clear, durable, and water-resistant finish that protects the base material while also enhancing its appearance.

Bamboo has a higher tensile strength than metal. This means that if you pull on a piece of bamboo and a piece of metal, it will take more force to break the bamboo.

Giving Back

For every bamboo product purchased, Copernicus will make a donation to conserve natural panda habitat through the World Wildlife Fund.

Check out our free Educator Resources about bamboo on our website.
