Wall Mounted Phone Storage Cabinet

We know that there are many benefits to reducing cell phone use, but managing student phones can be challenging. Our Tech Tub® Phone Storage solutions make it easy!

Our solutions hold up to 30 phones with cases, are incredibly secure and perfect for use in classrooms, principal offices, and even school entrances and their flexibility allows them to be placed in various locations.

In an emergency situation, the teacher can quickly unlock and distribute phones to students within the classroom compared to solutions that use specialized locking tools or that are not kept in the room.

Wall Mounted Phone Storage Cabinet (PHS03) features:

- Steel body construction
- Lock with 2 keys
- Stores 30 phones with cases
- Labeled storage spots
- Hardware included to mount unit to masonry, wood stud walls, or drywall
