# NEW Device Management Stands

(For 6 devices DMS06) (For 10 devices DMS10)

LIFETIME  
WARRANTY

The Device Management Stand offers a solution for charging and simple cable management. This unit features bamboo elements, to offer a modern look and a lower environmental impact.

With storage for 6 or 10 devices, the Device Management Stand offers easy access to adapters via the pull-out drawer while maintaining clean and organized cable management with cord management slots.

## Features

- Stores and charges 6 or 10 devices, such as iPads® or Chromebooks™ with or without cases
- Easy access to devices on top rack
- Adapters stored underneath device rack, easily accessible with pull-out drawer
- Cord management slots to keep cables in place
- 6-outlet power strip (DMS06), or 10-outlet power strip (DMS10) included
- Bamboo components for low carbon footprint and modern aesthetic

All electrical components are UL or ETL listed for use in Canada and the USA, documentation can be provided if necessary

## Other options

Device Management Stand for Large Adapters

- holds 6 devices (DMS07), includes 6 extension cords

Device Management Stand for Large Adapters

Maximum device sizes: 13" L x 9-7/16" W x 1-1/8" H

## Warranty

Lifetime

Our finish is a nitrocellulose lacquer. Lacquers are a popular finish type for furniture, and the preferred choice of professional furniture makers. Lacquers provide a clear, durable, and water-resistant finish that protects the base material while also enhancing its appearance.

Bamboo is a renewable resource that grows quickly and sequesters carbon, making it a more responsible material choice.
