

MAKE THE **SWITCH**
TO PHONE FREE CLASSES

Holds up to
30 phones
with cases!

New! Tech Tub²
for Phone Storage

LIFETIME

There are better ways to secure student phones in schools.

Some schools who trialed a phone ban in class saw improved mental health, decreased bullying, more engagement and more social interaction.*

Holds up to 30 phones with cases!

Tech Tub²® for Phone Storage

We know that there are many benefits to reducing cell phone use, but managing student phones can be challenging. Our Tech Tub® Phone Storage solutions make it easy!

Our solutions hold up to 30 phones with cases, are incredibly secure and perfect for use in classrooms, principal offices, and even school entrances and their flexibility allows them to be placed in various locations.

In an emergency situation, the teacher can quickly unlock and distribute phones to students within the classroom compared to solutions that use specialized locking tools or that are not kept in the room.

Tech Tub²® for Phone Storage (PHS02) features:

- Made from highly durable, heat-resistant ABS plastic and vented to ensure airflow
- Two ergonomic handles on the door and back as well as a flip-up handle on the top
- Stores 30 phones with cases
- Labeled storage spots
- 3-point lock with 2 keys
- Mounting hardware to secure tub to a surface

Dimensions:

Tech Tub - 13" H x 12 ½" W x 16 ¼" D

Maximum phone size - 7.28" H x 3.56" W x 0.91" D

Warranty:

Lifetime
