

Self-regulation Classroom Cruisers

Looking for financial assistance? These grant options might help.

[Title IV, Part A](#)

Local education agencies (LEAs) can use these funds to support social-emotional learning (SEL) and mental health activities. This includes interventions that help build self-control, resilience, and other social and behavioral skills.

[NEA Foundation Student Success Grants](#)

This grant offers two levels of funding for educators to grant activities for 12 months.

[DonorsChoose.org](#)

This organization provides funding for SEL solutions in schools and classrooms.

[SchoolSafety.gov Grants Finder Tool](#)

This tool helps find funding opportunities for school safety, including grants related to mental health, that may be applicable to the Self-regulation Classroom Cruiser.
